Re: Our Case # 90-35

Dear Dr. Reelee:

This is to advise you that the Board of Veterinary Medical Examiners has received and reviewed certain information regarding activity in which you were engaged as a veterinarian. The Board's initial review discloses that you engaged in acts of occupational misconduct within the meaning of N.J.S.A. 45:1-21 (e) in that you failed to renew your biennial license renewal registration for the period beginning July 1, 1989 before said date, and between July 1, 1989 and did engage in the practice of veterinary medicine before renewing the Certificate of Registration on July 1, 1989, as required pursuant to N.J.S.A. 45:16-9.4.

You are hereby offered the opportunity to settle this matter and avoid the initiation of formal disciplinary proceedings by signing the enclosed certification and paying a civil penalty in the amount of \$100.00 within 10 days from receipt of this letter. The penalty is to be remitted by check or money order made payable to the State of New Jersey.

Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will consider this statement and render a final decision thereon. You may also request a hearing in which case the matter will be scheduled and this notice will serve as a complaint. At the hearing you may, either personally or with

the assistance of an attorney, submit such testimony or other evidence as you may deem necessary in order for the Board to finally determine whether the unlawful acts set forth herein have been proven.

Very truly yours,

Maurice W. McQuade
Executive Director
